

VistaLevel, Balustrade installation aid / integrated level (Model: B0012)

VistaLevel enables the quick horizontal positioning of glass panes. Fasten the little helper in a way that you can keep an eye on it during installation.

The proven vacuum technology of the VistaLevel® suction pad holds it safely in place. Now you have both hands free to comfortably align the glass pane without the need for a spirit level.

No matter where you need to align a glass pane horizontally for mounting – VistaLevel is there to help.

And if you want to use it on materials other than glass, VistaLevel® suction pad can be attached to all smooth and gastight surfaces, making VistaLevel even more versatile.

Suction Plate \square 90 mm

Temperature range -10° C - $+40^{\circ}$ C
