

Kevlar Wrist Cut Protection Level 4/D Sleeve - 14 Inch (Model: D0001.14)

- 100% Kevlar Cotton Material
- High Cut Resistance Level
- Heat Resistant
- Thumb Slot
- High Dexterity

• Description: The Cargo 350MM Cut Resistant Sleeve is made from kevlar impregnated material, offering high slash/cut protection from sharp objects or knives. The material is elasticated so it fits tightly to your arm. A thumb-slot has been added for securing in place across the bottom of the palm. This really helps with fit, comfort and ease of use, especially when you also need to wear a cut resistant glove on your hands.

• Safety Standard: EN388:2016: +A1:2018 Regulation 244XD, EN407:2020: X1XXXX
